PCA-2 Exam Notice of CCD Batch-42

- Name of the Examination: Phase Completion Assessment-2 (PCA-2) of CCD Batch-42.
- Date and time: **03 November 2026 (06:00 am to 11.59 pm) and 04 November 2026 (06:00 am to 11.59 pm)**. The exam link will **not be active** from 12.00 midnight on 04 November (that is immediately after the evening of 03 November) to 05.59am on 04 November 2026.
- Examination time: 40 minutes.
- Total questions: 15x4 (Total 15, each with 4 stems). Question distribution: Module 4- 4, Module 5- 5, Module 6- 3 and Module 7- 3 questions. Question type: True/False mode.
- Total mark: 60; Pass mark: 30. For each correct response: +1; for each in correct response: -0.5; for no response: 0.
- There will be maximum 3 chances of appearing in the exam (1 Regular and 2 Retake exams) if student fails in previous attempt(s) within the scheduled time (36 hours).
- To appear in examination, the system will ask for your **a) BMDC no, b) Mobile no and c) CCD-ID no** (you will get your CCD-ID in your dashboard). You must have these three numbers at your hand. These must match with your credentials in the system.
- It may be more convenient in computer or tab than mobile phone because of better visualization in larger screen. Keep mobile data back-up in case of power failure.

PCA-2 Exam Instruction of CCD Batch-42

As per academic calendar the PCA-2 of CCD Batch-42 is going to start on 03 November 2026. It is an online examination you will have to appear through your dashboard. You need to follow the instructions:

1. Open DLP website (https://dlp-badas.org/) in Google Chrome; click **'Login'**.
2. Enter User ID **(BMDC no)** and Password **(Mobile no)**; click **'Sign In'**.
3. You will then enter Student's Dashboard.
4. From left side menu, click on **'PCA Exam'** button.
5. Enter your **'CCD-ID'** (you will get CCD-ID in student's dashboard), and press '**Login'**.
6. You will then be directed to Exam System Dashboard with Exam Instructions.
7. Read the instructions, press **'Verify Yourself'** button, and hold your device before your face.
8. Camera of your device will turn on and take a snap of your face automatically.
9. You will be directed to exam page; click **'Start Exam'** button.
10. Don't switch the camera off; putting the **camera-on is mandatory**. Students are urged to appear in the exam in closed room; extra or accessory devices, or presence of any other person is not allowed. Camera will monitor and record all the activities; in case of any suspicious activity the exam system will be automatically stopped.
11. After starting the exam click the button of the correct statement (**True/False**).
12. To move to next question, select **'Save & Next'** button.
13. To go back to previous question, select **'Previous'** button.
14. To finish the exam, select **'Submit'** button.
15. Exam will automatically end when the auto time counter reaches 00:00. After your answers are submitted you will receive notification of 'Pass' or 'Fail' (The final result of the PCA-2 Exam will be published by DLP Authority after the PCA-2 Exam link is closed.)
16. If any student does not pass in the 1st attempt, he/she can make 2 more attempts to 'Retake Exam' before the PCA-2 Exam link is closed.
17. For any help contact IT support: **Prakash Kumar Nath: 01685440916.**
